Registration service

MEGAMONDE
does the process
for you.

28.000_{FCFA}

**Megamonde does the process for you,
and provides the license plate and
registration document for your motorcycle.**

In a few months, the client will receive his license plate.
At 28,000 FCFA, there is no better deal on the market.

- This booklet must imperatively be purchased before the first revision, just like the after-sales and warranty booklet, valid only if the maintenance is followed by the customer.
